

State of Rhode Island
Department of Environmental Management
Office of Air Resources

**NOTICE OF PUBLIC
COMMENT PERIOD**

Pursuant to the provisions of Chapter 23-23 of the Rhode Island General Laws and Air Pollution Control Regulation No. 29, notice is hereby given that the Office of Air Resources is proposing to revise the Operating Permit for the following stationary source:

Tiverton Power LLC
304 Progress Road
Tiverton, RI 02878

The revision is being processed as a significant modification in accordance with APC Regulation No. 29, Section 29.10.4.

Tiverton Power LLC's Major Source Permit (RI-PSD-5) was revised to include upgrades to the combustion turbine, a facility-wide limit on natural gas consumption, an annual limit on total operating hours, a change in emission limits, and an increase in maximum heat input capacity. Also, incorporated into the proposed operating permit significant modification are the applicable provisions from 40 CFR Part 60 Subpart KKKK (Stationary Combustion Turbines). The operating permit has been revised to include these changes.

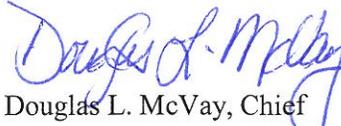

Only those conditions, which pertain to the proposed modifications, are being offered for public comment.

The public comment period for the significant modifications will begin today and continue until September 9, 2016. A public hearing for interested persons to appear and submit written or oral comments on the draft operating permit will be held if requested by 10 or more persons, or by a governmental subdivision or agency or by an association having not less than 10 members. Any interested person may request that a public hearing be held.

Written comments, to be considered part of the record must be submitted during the public comment period. Written comments or requests for a hearing may be sent to the Office of Air Resources at the address below until 4:00 PM, 9 September 2016, at which time the public comment period will close.

The significant permit modification documentation and a document concerning public participation in the operating permit program are available for inspection at the Office of Air Resources, 235 Promenade Street, Providence RI from 8:30am to 4:00pm. For more information, contact Douglas McVay or Ruth Gold at 401-222-2808 (toll free 1-800-752-8088, TTY 711).

Signed this 5th day of August 2016

Douglas L. McVay, Chief
