RI Summer Flounder Aggregate Landing Program 2018 Winter sub-period Application Form and Instructions

This application is to obtain a permit to land up to 1,500 pounds of Summer Flounder per vessel per bi-weekly period during the Winter sub-period as specified in the RI Marine Fisheries regulations (RIMFR) “Part 3 - Finfish”. Cumulative landings must occur within the bi-weekly periods are specified below.

Issuance of the permit may take several days upon receipt of a completed application. **It is the responsibility of the applicant to assure the timely and accurate submittal of the application to avoid delays in receiving their permit.**

The 2018 Winter sub-period begins on February 4 and ends on April 30, or when 90% of the Winter sub-period quota has been harvested as determined by DFW.

The starting possession limit is 1,500 pounds/vessel/bi-week. Possession limits are subject to change throughout the sub-period. **It is the responsibility of the permittee to follow all regulations to maintain compliance with their permit.**

An applicant who is permitted for the Winter sub-period is not eligible to participate in the Summer sub-period of the same year.

Application forms are available on-line at the DEM Marine Fisheries website at: <http://www.dem.ri.gov/programs/fish-wildlife/marine-fisheries/forms-permits.php>, at the Marine Fisheries office in Jamestown, RI, or at the DEM Coastal Resources office in Narragansett, RI (Galilee). Submit the completed application to:
