Public Notice of Proposed Rule-Making

Pursuant to the provisions of 42-35-3(a)(1) of the General Laws of Rhode Island, and in accordance with the Administrative Procedures Act Chapter 42-35 of the General Laws, the Division of Taxation hereby gives notice of its intent to issue a regulation regarding Estimated Tax Payments.

The purpose of this regulation is to implement Rhode Island General Laws (RIGL) Chapter 44-26. That chapter accelerates the payment of the respective taxes imposed under RIGL Chapters 11, 12, 13, 14, 15, and 17 of Title 44, and Chapter 3 of Title 27 by requiring that an entity pay a sum equal to the entire amount of its estimated tax during its current taxable year. The change is to clarify the requirements through replacing paragraph style for due dates with a tabular form including the required forms for each tax type. This regulation shall take effect July 1, 2012 and amends and supercedes regulation CT 01-10 promulgated January 1, 2001.

The proposed regulation and concise summary of non-technical requirements and proposed new rules are available for public inspection at www.tax.ri.gov, in person at The Rhode Island Division of Taxation, or requested by e-mail at mcanole@tax.ri.gov or by calling Michael Canole at (401) 574-8729.

In the development of the proposed regulation, consideration was given to: (1) alternative approaches; (2) overlap or duplication with other statutory and regulatory provisions; and (3) whether the regulation, in and of itself, would have significant economic impact on small business. No alternative approach, duplication, or overlap was identified based upon available information.

All interested parties are invited to submit written or oral comments concerning the proposed regulations by May 15, 2012 to Michael Canole, Rhode Island Division of Taxation, One Capitol Hill, Providence, RI – telephone number (401) 574-8729 or via e-mail at mcanole@tax.ri.gov. A public hearing to consider the proposed regulation will be held on May 15, 2012 at the Rhode Island Division of Taxation, One Capitol Hill, Providence, RI, at which time and place all persons interested therein will be heard. The room is accessible to the disabled and interpreter services for the hearing impaired will be provided if requested 48 hours prior to the hearing.
