

You Are Invited

To an educational walking tour of North Scituate Village

Thursday, September 1, 2016 at 6:30 PM

Meet At the Gazebo across the street fromof North Scituate Library, located at
606 West Greenville Road, North Scituate, RI

North Scituate Village is the site of many projects designed to prevent **stormwater runoff** from bringing pollution to the Scituate Reservoir. Join experts from Northern RI Conservation District, RI Department of Environmental Management, the Town of Scituate, Providence Water, StormTree, and the US Environmental Protection Agency to learn about:

- ◆ Rain gardens
- ◆ Tree filters
- ◆ Engineering projects
- ◆ Community engagement efforts
- ◆ The Scituate Reservoir and its watershed

This tour is free, but registration is required. Please call Northern RI Conservation District at 401-934-0840 or email gdemarco.nricd@gmail.com
