

Lake and Watershed Annual Forum

April 23, 2019 * 6:30-8:30 pm

Johnston Senior Center

1291 Hartford Avenue * Johnston, RI * 02919

Love your lake but not sure how to care for it? Wondering who you to talk to if you have a lake or watershed issue? Lakeside stewardship means learning how to care for your lake and the lands around it – and here is your chance to become a lake steward!

Join us, lake association and watershed group members from around the state for presentations from Rhode Island Department of Environmental Management's Office of Water Resources (RI DEM) staff explaining changes in the freshwater wetlands regulations, answer questions, address our issues and update us about their activities. Also learn more about the Lake Smart Program and Resident Initiative being promoted by Save The Lakes (STL)

Save the Lakes is proud to be hosting this meeting, which allows you to spend time with other waterfront neighbors sharing solutions to waterfront problems.

So join us for some fun, education and refreshments as we learn more about our lakes and how we can work together to keep them healthy.
