

## **WATERSHED PROTECTION:**

**SUCSESSES,  
CHALLENGES, AND  
OPPORTUNITIES**

In collaboration with the Rhode Island Rivers Council, the Rhode Island Department of Environmental Management – Office of Water Resources will host an interactive discussion among local and state partners and stakeholders on topics of interest related to watershed protection. Please bring your recent success stories – large or small - to share with the group! In addition, discussion will touch on the challenges that we face and identify opportunities for enhancing collaboration and progress toward our shared goals of cleaner, healthier watersheds. Participants will be asked to provide thoughts on sticky notes or via online chat to capture input on our successes, challenges, and opportunities and use the information to drive the discussion.

**WHEN: Wednesday, September 10, 2025  
3:30 pm to 5:30 pm**

**WHERE: RIDEM Headquarters  
235 Promenade Street - Room 300**
