Stormwater Management Projects

Project Readiness

Have any of the following RIDEM and other approvals already been obtained for this project? (check all that apply)

- | | |
|---------------------------------------|--|
| TMDL Implementation Plan | Construction Plans & Specifications /Order of Approval |
| FONSI or Categorical Exclusion (NEPA) | RIDEM/CRMC permits, please specify _____ |
| RIDEM OLRSM approval | _____ |
| Lake Management Plan | Local bonding authority/system revenues pledged/ local funds have been committed to this project |
| | Grant funding secured. Specify _____ |

Stormwater Management Project Details

The CWSRF can finance capital projects that address the water quality impacts of stormwater runoff. Projects must be for public infrastructure for stormwater management that treats runoff and protects or restores the hydrologic cycle. Drainage or flooding projects that do not have a documented primary or substantial water quality benefit are not eligible for CWSRF financing. Projects must further the Clean Water Act.

Population to be served by this project: _____
Please estimate number of people

Is this project a component of a larger planned project? Yes No

Estimate the portion of the project that is eligible (in dollars or percent of total project cost): _____
Only that portion of the larger project which provides the water quality/aquatic habitat benefit is eligible for CWSRF financing.

Is this project consistent with your RIDEM approved Stormwater Management Program Plan (SWMPP)? Yes No

If 'Yes,' identify the page in your MS4 Program Plan that contains this project: _____

Is this project addressing a Category 4 or 5 waterbody as identified on the [2024 Impaired Waters 303d List](#)? Yes No Not applicable

If 'Yes,' what primary pollutant(s) causing the impairment (as identified in the Report) does this project target? _____

Is this project identified in a [TMDL](#) or [Section 319 \(NPS\) Watershed Plan](#)? Yes No

If yes, please provide the following:
Title of plan: _____ Page where project is identified: _____
