

Grade 1 Certification Exam Preparation

Wastewater Treatment Plant Operator

Mondays and Wednesdays, 3/18 through 4/24, 2024
4-7pm; Sign in begins at 3:30pm
Quonset Development Corporation
95 Cripe Street, North Kingstown, RI 02852
COST: \$325

Payment can be made online at ricwa.org; Checks made payable to "RICWA".

This course is offered in conjunction with the Board for the purposes of preparing for the Grade 1 exam only; however those prepping for the Grade 2 exam will find this course beneficial as well. It is intended for those seeking to review material and will cover a wide range of wastewater topics including:

- Preliminary, Primary, and Secondary Treatment
- Disinfection and Solids Handling
- Sample collection, laboratory testing, safety, and maintenance
- Wastewater math

Because the Rhode Island Board of Certification of Operators of Wastewater Treatment Facilities only offers licensure to approved applicants, passing this course is not necessarily a guarantee of securing the Rhode Island Grade 1 license.

This review course is based on the well known CSU Sacramento home-study course manuals for WWTP operations. Purchasing the Sacramento manual is recommended, but not required.

TO SIGN-UP OR FOR MORE INFORMATION CONTACT:

- Eddie Davies, Superintendent Quonset Development Corporation
edavies@quonset.com

Registration Deadline: You must register at least three days in advance of the first day of the course. Registrations after this time will incur a \$15 late fee.

Cancellations/No-Shows: Three days' notice is required for you to cancel at no cost. Cancellations received after this time will be charged \$50

Registrants who do not cancel and who fail to show are responsible for full payment.
