

Perceptions of Undergraduate Priorities for Library Services: A Very Preliminary Report for the FDC

- ▶ In the Fall of 2018, Peter Larsen, Amanda Izenstark, and Debbie Mongeau used the Q-Sort Method to survey students, faculty, administrators, and librarians regarding what students' priorities for library services are. Learn about the preliminary results of the study, including elements where there was general agreement, disagreement, and overall interest.

A presentation by
Professors Izenstark,
Larsen, & Mongeau

Monday, April 22, 2019
1-2 pm
Galanti Lounge
