# Rhode Coders 2.0 - JAVASCRIPT

An educational initiative of Providence Public Library

Learn the Code Behind the Game

Have you ever wondered how games like Angry Birds and Bejeweled were created? We will help you dig into the code, learn JavaScript, and ultimately learn how to build your own computer game.

Who Can Participate

Teens in grades 9 - 12. No coding experience needed but if you have some, we'll welcome you too.

When and Where

Tuesday and Thursday, 3 - 5 pm, January 28 - May 14, 2019
Providence Public Library - 150 Empire Street, Providence, RI 02903

REGISTER AT: RIDE.GOSIGNMEUP.COM

Earn High School Credit

Participants in grades 9 - 12 have the opportunity to earn .5 of a high school credit through the Rhode Island Department of Education (RIDE)'s Advanced Coursework Network initiative.

Get in Touch

Contact teensquad@provlib.org for more details on how to get started.
